Birds of Hawai'i Activities:

1. WETLAND BIRDS

a. WATCH A MOLOKA'I WETLANDS VIDEO:

Moloka'i Koheo Wetland CCR Virtual Field Study Video:
learningendeavors.org/ccrmkkbirds

- ##### b. COUNT WETLAND BIRDS - Activity:
- Use Laminated Bird Monitoring Sheet with erasable (wax pencils or whiteboard pens) utensils - Prepare by scattering birds in random amounts in the school yard. Students use erasable utensils to make tally marks for what they find.

2. SEABIRDS

a. WATCH A HAWAI'I SEABIRD VIDEO:

Seabirds of Maui CCR Virtual Field Study Video:
learningendeavors.org/ccrmkkbirds

- ##### b. HOW TO RESCUE A SEABIRD - Coloring Activity:
- Use the worksheets provided (or make new copies from the master copy provided). Use masters for other bird activities provided & color.

- #### 3. SCULPT A BIRD:
- Use the black, white, red and other colored modeling clay. Cut into smaller pieces as needed. Choose one bird: the Ae'o, the 'Alae Ke'o Ke'o, or the 'Ua'u Kani. Use the provided guides and books as references to design and build to scale one bird.
